

So Deliciously Satisfying

SUGAR alone doesn't satisfy. Rice pudding without flavoring or seasoning is tasteless. But added to the sugar in Belle Mead Sweets are delectable "touches"—like the mellow trace of clover-bloom honey in Belle Mead Nougat—which make them exceptionally and differently delicious.

The fruit and nut combinations, the distinctive flavors and rich chocolate coatings make the Belle Mead Sweets GOLD SEAL ASSORTMENT universally liked. They are so different from ordinary sweets—with that same rich difference one tastes in cooked foods made with thick, cool cream and creamery butter.

Each dainty Sweet is one of Nature's rarest "smiles," made in a factory as sunny and as clean as Nature's own great outdoors where She produces Her choicest fruits and flowers.

Find the Belle Mead dealer in your neighborhood today—if you like good candy. Try the Gold Seal Assortment at \$1.10. If you cannot find your dealer, ask us to send his name and address from Trenton.

ALBODON

If Teeth Were Always Kept Clean

GEORGE WASHINGTON was toothless at 40. In his day teeth were expected to decay and be pulled. We know better now. Sensible people are faithful in their visits to the dentist and in their daily use of a reliable, safe dentifrice. Cautious parents are watchful of their children's teeth.

A clean tooth will not readily decay. Nor harbor germs or tartar and stain. Properly brushed gums will not recede or bleed or become spongy.

ALBODON DENTAL CREAM is the safe-and-sure family dentifrice. The purity and quantity of its cleansing and polishing ingredients keep the teeth at maximum whiteness and cleanliness. The essential oils and antiseptics keep the mouth sanitary and germ-free. Used daily from youth on, there need be no serious dental trouble. The danger is in starting late.

People find ALBODON beneficial and pleasant. It never hardens in the tube no matter what the weather.
